# INDEPENDENT CLUB EVENT LIABILITY (ICEL) INSURANCE COVERAGE

## Coverage Information

### General Liability Coverage for Car Club Social Events

We offer affordable general liability protection for limits of \$1 million for your club's car shows, meetings, rallies, and social functions. While participating in your covered activities, the general liability coverage extends to your officers, members, and volunteers. Excess liability limits are available by request.

Our program automatically includes Products Liability (food or drink) and \$1 million Commercial General Liability. Legal Liability to Participants (LLP), which applies to motorized events and protects your club if it is found to

be legally liable for a participant's injuries, is included. (LLP coverage is effective only upon receipt of each participant's signature on a Release and Waiver of Liability Agreement provided by K&K Insurance Group, Inc.) For your competitive events, such as autocrosses, gymkhanas or rallies, we can also provide general liability for officials, car owners, drivers, pit crews, sponsors, advertisers, and any person or organization operating, managing, sanctioning, sponsoring or providing the premises for your covered program.

### How to Apply for Coverage

To apply for a quote, fill out and return the following forms:

- ICEL FORM A #1097
- AUTOCROSS EVENT MINIMUM QUALIFICATIONS #1144
- ICEL MEMBERSHIP LIST SUPPLEMENTAL #1243
- FRAUD WARNING FORM #1030

Coverage for your non-competitive events, such as business meetings, social functions will be in effect once the

completed application and premium payment have been received and approved by the program administrator. Coverage for competitive events is not included in the basic plan and is not automatic with Order Form A. If you wish to have coverage for a competitive event, please let us know at least two weeks in advance of your event so we can provide you with an event premium quotation and supplemental application.

### How Payment Works

Premium payment is required to initiate coverage. If you are being charged the minimum earned premium of \$1,500, your initial premium will act as a nonrefundable deposit from which your per-member charge and competitive event premium will be drawn. Here are two sample scenarios:

<i>Scenario One:</i>	<i>Scenario Two:</i>
<p>A club with 100 members has a charge of \$5 per member for their annual premium. The minimum premium is \$1,500, so that amount is paid up front.</p> <p style="text-align: center;"> <b>\$1,500</b> minimum annual premium            - <b>\$500</b> member charge  <hr style="width: 10%; margin: 0 auto;"/> <b>\$1,000</b> remaining premium balance         </p> <p>Any competitive event premiums can be drawn from the \$1,000 balance within the policy period.</p>	<p>A club with 700 members has a charge of \$5 per member for their annual premium. The minimum premium is \$3,500, so that amount is paid up front.</p> <p style="text-align: center;"> <b>\$3,500</b> minimum annual premium            - <b>\$3,500</b> member charge  <hr style="width: 10%; margin: 0 auto;"/> <b>\$0</b> remaining premium balance         </p> <p>Any competitive event premiums must be paid at the time coverage is requested.</p>

You will be notified when your account balance is too low to cover an upcoming competitive event. From that point on, through the remainder of your policy period, each time you order your individual competitive event insurance, you must remit the appropriate event premium with your order.

## I. EVENT DESCRIPTION

An autocross or Solo II event is a COMPETITIVE EVENT, driving skill contest conducted on courses that emphasize car handling and agility rather than speed or power. The course generally consists of STRAIGHT sections and connecting TURNS or corners, as marked by pylons, generally resembling a miniature road course.

## II. EVENT SITES

- A. The event is held on a flat surface.
- B. RESTRICTED AREAS: Must include, at a minimum, the course surface, the area within the circumference of the course, and all other areas within 100 feet of the outside of the course, and the PIT AREA.
- C. VIEWING AREAS: Must be designated explicitly. Must be located beyond the 100 foot RESTRICTED AREA. The boundary between the Viewing Area and the RESTRICTED AREA will be established with at least rope and banner; a fence of some kind is strongly recommended. SPECTATORS are restricted to the Viewing Areas.
- D. PERMANENT, REAL, FIXED PROPERTY (buildings, trees, light stanchions, similar physical obstructions): May not be closer than 25 feet to the course in STRAIGHTS and/or inside of TURNS, not closer than 75 feet on the outside of the TURNS.
- E. PARTICIPANTS are not covered by participant accident insurance unless specifically purchased for that event.

## III. EVENT MANAGEMENT

- A. Basic rules and standards for conduct of events must be drawn up before an event is run and be available to all drivers.
- B. An event chief official must be appointed to supervise the running of the event.
- C. Event Safety Official(s) are strongly recommended. Their sole responsibility should be to monitor the safety of the event. One safety official should be on-duty at all times.
- D. All PARTICIPANTS must sign the current K&K waiver form. PARTICIPANTS under the age of majority in the state in which the event is run (or under the age of 18 or which ever is greater) must have a current K&K "Minor Release and Waiver of Liability and Indemnity Agreement" signed by his/her parent(s). Other waiver forms may not be used.
- E. All drivers must have a valid driver's license. Any license or permit which requires another licensed driver in the AUTOMOBILE is not acceptable. Minor drivers must be able to show that they have permission to operate the AUTOMOBILE in the event.
- F. All drivers must wear a D.O.T. approved helmet, and must use seat lap belts.
- G. Participants are permitted to ride as passengers in the AUTOMOBILE during training sessions and driving schools. Participants are permitted to ride as passengers during the competition run only with the approval of the event chief official. All passengers must meet the requirements of section D & E; Must be in an AUTOMOBILE which has passed technical inspection; Must wear seat belt and approved helmet; Must have signed a waiver. The passenger must be either a student riding with an instructor or an instructor riding with a student during a drivers' school.
- H. FIRE EXTINGUISHERS: There must be at least two 10 BC rated dry chemical fire extinguishers on site and in proper working condition.

## IV. COURSE REQUIREMENTS

A. When laying out a course, the size of the AUTOMOBILES competing should be taken into consideration.

The following guidelines are minimum qualifications for insurability.

- 1. Speeds on STRAIGHT stretches should not exceed 70 m.p.h. for the fastest class of automobiles. The fastest portions of the course shall be those most remote from SPECTATORS and property. Speeds at turns should not normally exceed 45 m.p.h.
- 2. The course should contain no holes, loose gravel, gratings, oily spots or dips in the course.

## V. COMPETING AUTOMOBILES

- A. All AUTOMOBILES shall be subject to a strict inspection by qualified technical inspectors.
- B. Driver/passenger restraints: Seat lap belts are required in all AUTOMOBILES. Installation of the shoulder belts or harnesses is strongly recommended in AUTOMOBILES with fixed tops or roll bars. Two-strap shoulder harnesses shall not be worn in open automobiles, which are not equipped with roll bars.
- C. Roll bars: Roll bars are strongly recommended in all automobiles. Roll bars are REQUIRED in all purpose-built competition cars and any other open cockpit AUTOMOBILES using racing (non-D.O.T. approved) tires.
